My Portfolio: <https://portfolio-eur9.onrender.com>

PROFESSIONAL SUMMARY

Computer Science student entering the fourth year with a strong interest in software development and web technologies. Experienced in building responsive web applications using HTML, CSS, and JavaScript, with backend development experience in Laravel and basic experience with Node.js and Express.js. Worked on academic and personal projects and eager to apply technical skills in real-world environments while continuously learning and growing as a professional developer.

EDUCATION

Bachelor of Computer Science: 06/2026

Canadian International College - Cairo

Overall GPA: 3.34

SKILLS

Technical Skills

- Git & GitHub
- React.js
- node.js, express.js
- Html, CSS, JavaScript
- MySQL
- Debugging & Testing
- Django
- Responsive Web Design
- JSON
- REST APIs
- VS Code

Soft Skills

- Teamwork and collaboration
- Problem-solving
- Ability to perform under pressure
- Communication
- Flexible and adaptable
- Calm under pressure

Tools

- Microsoft Word, Excel, PowerPoint
- Power BI
- Postman

COURSES

- **Web Development Fundamentals**

HTML, CSS, JavaScript – building responsive websites.

- **Laravel Framework Essentials**

CRUD applications and authentication systems.

- **Database Management with MySQL**

SQL queries, joins, and database design.

- **Version Control with Git & GitHub**

Branching, pull requests, and collaborative development.

- **Microsoft office**

Proficient in Microsoft Office Suite (Word, Excel, PowerPoint) for documentation, data analysis, and professional presentations

CERTIFICATIONS

- Responsive Web Design — freeCodeCamp
- JavaScript Algorithms and Data Structures — freeCodeCamp
- PHP with Laravel for Beginners — Udemy
- Database Foundations: MySQL — Coursera
- Version Control with Git & GitHub — Elzero Web School
- MCIT – Data Analysis & Web Development
- JavaScript Algorithms and Data Structures – freeCodeCamp
- Python and Oracle Database
- Problem Solving — Coach Academy
- Fundamentals of C++ — Coach Academy
- GIS – NARSS

PROJECTS

University Web Application

HTML, CSS, JavaScript, PHP, Laravel, MySQL

- Developed a full-stack web application as part of a university team project.
- Designed responsive user interfaces using HTML, CSS, and JavaScript.
- Implemented backend functionality using PHP and Laravel framework.
- Built and managed relational databases using MySQL.
- Applied software engineering concepts such as MVC architecture and database integration.
- Implemented user authentication and CRUD operations for managing system data.

Task Management Web Application

Node.js, Express.js, MySQL

- Developed a REST API for task management.
- Implemented CRUD operations and authentication.
- Connected backend with MySQL database.

Portfolio Website

HTML, CSS, JavaScript

- Built a responsive personal portfolio website.
- Applied responsive web design principles.

EXPERIENCE

Academic Projects Employee, 11/2022 – 7/2025

Academic Projects – Cairo, Egypt

Computer Science Department

- Developed web applications using HTML, CSS, JavaScript, and Laravel
- Designed relational databases using MySQL
- Applied software engineering concepts (OOP, MVC, Agile basics)
- Collaborated with team members on academic software projects

Personal Projects, 01/2023 – 01/2024

Freelance – Cairo, Egypt

- Built responsive websites with HTML5, CSS3, Bootstrap, and JavaScript.
- Created CRUD applications with Laravel integrating authentication & database management.
- Used Git & GitHub for version control and collaboration.

Open Source, 07/2024 – 07/2025

Open Source Contribution – Cairo, Egypt

- Participated in small GitHub open-source projects, fixing bugs and enhancing documentation.
- Improved collaboration skills through pull requests and code reviews.

Intern, 07/2022 – 09/2022

Marketer – Cairo, Egypt

Call center

Canadian international college

- Improve customer experience with telecom call center
- Analyzed problems and worked with teams to develop solutions.
- Solve customer problems in creative way
- Maintain customer satisfaction
- Build lasting relationship with customers
